Well, as it has been about a week since I started this letter I will try to finish it. We got the sad message yesterday of our dear father's death, oh, it was sad indeed to give him up but then I think he is where there is no sickness and heart aches I can say good bye. It will not be long until we will meet again, oh, what joy. I ask all the good people to remember us in their prayers.

I like to read letters from the West as I have so many friends there who used to be my neighbors here.

We would be glad for all the young people of near Whitson Chapel to take an active part in the Christian Endeavor society each Saturday night instead of pea shelling and other worldly pleasures. We wish to give Bro. S. A. D. Smith of Cookeville our sincere thanks for his great work in our Sunday school work at Whitson Chapel and as Bro. Smith cannot be with us regular any more let us all unite heart and hand as spring has come that our school may still live.

I think a good Sunday school is the life of any community, so let us work while we have an opportunity for we feel and realize that the time is soon coming when we can no longer work.

Let whosoever will take the water of life freely.
